Dear Family at Woodland,

We are always thrilled when people give Bibles to our Maltese "family" as we know that God's word will never return void. However, it is extra special when kids from our own church family raise the funds. Thank you for investing in Malta and other children around the world. We look forward to sharing stories with you of how your investment makes a difference. We will try and be good stewards of His money!

Much Love,
Earl & Robin,
